**USAGE TRACKING, AUDITING, PIRACY AND OUR PRIVACY POLICY.** Our audit and collection of any of Your data and Your use of the Software is subject to Corel's Privacy Policy ([www.corel.com/privacy/](http://www.corel.com/privacy/)). We may audit Your software usage for anti-piracy purposes, to verify a valid registration, and to identify if new Updates are available for Your Computer prior to sending You a notice to install a new Software Update. You consent to the Software sending such usage data (e.g., the number of instances the Software is launched, the device IP address, menu items chosen, and/or the version of the Software) for registration, authentication, use and anti-piracy auditing and enforcement purposes as described herein and in Corel's Privacy Policy.

**AUTOMATIC PRODUCT INFORMATION ALERTS.** Corel may periodically alert You to information and special offers related but not limited to Your Software and complimentary

You understand that at the end of the evaluation period, You must either stop using the Software or pay for the Software to continue using it. If You fail to pay for it, then Your license terminates. Upon expiration of the evaluation period, You will immediately discontinue use of the Evaluation Version and delete and destroy all electronic copies of the Evaluation Version including, but not limited to, all user documentation that may have been provided as part of the evaluation from Your computer and any other computer devices on which You have installed the Evaluation Version. SOME STATES OR COUNTRIES DO NOT ALLOW THE WARRANTY EXCLUSION OR LIMITATIONS; THE ABOVE LIMITATION MAY NOT APPLY TO YOU.** In such instances, Corel may remedy substantial defects of the Software at its reasonable discretion by (a) providing a patch, Update or replacement of the Software, or (b) asking for return of the Software and cancelling this EULA. You are entitled to a reduction of the purchase price or a rescission of this EULA only if Corel has repeatedly failed to remedy the defect after a reasonable period of time. **NO LIABILITY FOR INDIRECT OR CONSEQUENTIAL DAMAGES. YOU ASSUME THE ENTIRE COST OF ANY DAMAGE RESULTING FROM THE INFORMATION CONTAINED IN OR COMPILED BY THE SOFTWARE. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL COREL OR ITS SUPPLIERS OR LICENSORS BE LIABLE FOR ANY DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, OR OTHER PECUNIARY LOSS) ARISING OUT OF THE USE OR INABILITY TO USE THE SOFTWARE, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL COREL'S TOTAL LIABILITY TO YOU FOR ALL DAMAGES IN ANY ONE OR MORE CAUSE OF ACTION EXCEED THE AMOUNT PAID BY YOU FOR THE SOFTWARE. THIS LIMITATION WILL APPLY REGARDLESS OF THE FAILURE OF THE ESSENTIAL PURPOSE OF ANY LIMITED REMEDY. SOME STATES OR COUNTRIES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES; THE ABOVE LIMITATION MAY NOT APPLY TO YOU.**

#### **RESTRICTIONS OF LIABILITY REGARDING CUSTOMERS IN GERMANY**

Corel is liable for damages based on an intentional or grossly negligent breach of duty or malice by Corel, its legal representatives or persons whom it uses to perform its obligations. Insofar as Corel is liable for malice pursuant to sentence 1, compensation for damages of commercial customers is limited to the foreseeable, typically arising damages.

Further, Corel is also liable for damages that are caused by simple negligence if the negligence concerns the breach of such contractual obligations the fulfillment of which is of particular importance to achieving the purpose of the contract and in which You may

therefore regularly trust (cardinal obligation; *Kardinalpflicht*). In this case, liability is limited to the foreseeable, typically arising damages.

In addition, Corel has unlimited liability for damage to life, limb, and health for which it is responsible, which are caused by negligent or intentional breach of duty. Corel also assumes liability to the extent it has provided a guaranty as to quality or durability within the context of this guarantee.

Further contractual or statutory liability is – to the extent legally permitted – excluded without regard to the legal status of the claim asserted.

Where Corel's liability is excluded or limited, this also applies to the personal liability of its employees, representatives and persons whom it uses to perform its obligations as well as Corel's responsibility for their behavior.

**U.S. GOVERNMENT-RESTRICTED RIGHTS.** The Software and any accompanying documentation are "commercial computer software" and "commercial computer software documentation," under DFAR Section 227.7202 and FAR Section 12.212. Any use, modification, reproduction release, performance, display or disclosure of the Software and accompanying documentation by the U.S. government will be governed solely by the terms of this EULA and will be prohibited except to the extent expressly permitted by the terms of this EULA.

**EXPORT RESTRICTIONS.** You may not download, distribute, export, re-export, or redistribute the Software, including any Corel shareware product, (a) into, or to a national or resident of any country to which the United States has embargoed goods, or (b) to anyone on the United States Treasury Department's list of 'Specially Designated' nationals or the United States Commerce Department's 'Table of Deny Orders'. By downloading or using the Software, You are representing and warranting that You are not located in, under the control of, or a national or resident of any such country or on any such list. Except pursuant to an express, written, fully-executed agreement with Corel, You may not purchase a license to use the Software for the purpose of exporting it to an US-embargoed country, nor may You retain the services of a third party to purchase a license to use the Software if in doing so You will require such third party to send (via any means, electronic or otherwise) the Software to You in an US-embargoed country.

## **GENERAL**

This EULA is the entire agreement between You and Corel and supersedes any other communications or advertisements with respect to the Software and documentation. The Software, or any feature or part thereof, may not be available in all languages or in all countries.

If and to the extent any provision of this EULA is held illegal, invalid, or unenforceable in whole or in part under applicable law, such provision or such portion thereof shall be ineffective as to the jurisdiction in which it is illegal, invalid, or unenforceable but only to the extent of its illegality, invalidity, or unenforceability. No term or provision in this EULA will be considered waived, and no breach excused, unless such waiver is in writing signed on behalf of the party against whom the waiver is asserted. No waiver (whether express or implied) will constitute consent to, waiver of, or excuse of any other, different, or subsequent

breach. No modifications or amendments to this EULA will be binding upon Corel unless made in writing and duly executed by You and an authorized representative of Corel.

Some Corel Software versions may not be compatible with various computer operating systems and Corel may not release Updates (particularly Updates establishing compatibility). Your Software may not be compatible with computer operating systems that You may purchase now or in the future. You understand that Corel Software may be incorporated into, and may incorporate itself into, software and other technology owned and controlled by third parties. This EULA remains effective with such incorporation. Any and all other third party software or technology that may be distributed together with the Corel Software (as bundled third party software) may be subject to You explicitly accepting a license agreement with that third party. Corel's licensors shall be a direct and intended third party beneficiary of this EULA.

## APPLICABLE LAW

This EULA specifically excludes the United Nations Convention on Contracts for the International Sale of Goods and any legislation implementing such 'Convention', if otherwise applicable. Except as expressly set forth herein to the extent permitted by applicable law, this EULA shall not prejudice the non-excludable, statutory rights of any party dealing as a consumer.

For users in the US

If You purchased or downloaded the Software in the United States then this EULA is governed by the laws of the United States and the State of California, without reference to conflict of laws principles. Any dispute between You and Corel regarding this EULA will be subject to the exclusive venue of the state and federal courts in the State of California.

If You acquired the Software in Canada, unless expressly prohibited by local law, this EULA is governed by the laws in force in the Province of Ontario, Canada; and any dispute between You and Corel regarding this EULA will be subject to the exclusive jurisdiction of the federal and provincial courts sitting in Toronto, Ontario.
